The Department of Environmental Protection regulates open burning to limit the production of smoke in the interest of air quality, and to reduce the potential of wildfire devastating our natural resources and the surrounding communities.

PROHIBITED

Under "Control and Prohibition of Open Burning"
N.J.A.C. 7:27—2.1 et seq.

- Salvage operations by open burning (7:27-2.2).
- The disposal of rubbish, garbage, trade waste, buildings or structures by open burning (7:27-2.3A).
- The disposal of fallen leaves by open burning (7:27-2.3B).
- The disposal of any plant life by open burning, except as permitted (see reverse side).
- Transfer of permits issued from one location to another or from one person to another.

Under New Jersey Forest Fire Law
N.J.S.A Title 13:9

- Setting fire to any forest, brush, grassland or tidal marsh without the written permission of a Forest Firewarden (13:9-19).
- Having any fire by which property may be endangered without maintaining a careful and competent watch (13:9-20).

In addition, all open burning must conform to the NJ Fire Prevention Code (N.J.A.C. 5:70-3. et seq.), enforced by the NJ Division of Fire Safety or local Fire Official.

Violations may result in fines to \$5,000 and reimbursement of costs associated with extinguishing the fire!

Safety Precautions

- ⇒ Obtain necessary permit(s) and keep it available while burning.
- ⇒ Never burn when the wind is high. Live sparks can travel several hundred feet downwind.
- ⇒ Never burn during a drought or high fire danger, or when the woods and vegetation are extremely dry.
- ⇒ Check for burning restrictions at: www.njwildfire.org
- ⇒ Make all required notifications.
- ⇒ Have a 5 foot fire break to mineral soil completely around the fire.
- ⇒ Build the fire no larger than necessary.
- ⇒ Never leave a fire unattended no matter how safe it appears.
- ⇒ Keep water and a shovel or rake handy.
- ⇒ Always make sure your fire is completely out before leaving.
- ⇒ Keep emergency contact numbers and a phone readily available.
